

Candidates Accepted for the 2009-2010 MAIDS Program

Important Notes:

- I. This list comprises all applicants who have been accepted for the Master of Arts in International Development Studies Program based on their academic and personal qualifications. If you have applied for a **scholarship**, your presence on this list does not guarantee that you have been awarded that scholarship. Scholarship recipients are selected outside of the academic acceptance process in conjunction with donor organizations. The results of this process will be announced on the MAIDS website and via email at the **end of June**.
- II. A number of students have been accepted on the condition that they attend the **MAIDS Pre-Session** in order to improve their academic English language skills and/or familiarize themselves with core Development Studies topics.
- III. While the Pre-Session is mandatory for some students, it is also an **option for any students** wishing to immerse themselves in Development issues, improve their academic writing, and acclimatize to Bangkok before the academic year begins. Whether required or optional, the Pre-Session runs from **August 31st to September 25th** and costs **15,000 Baht**. All students will receive an email with more details about the Pre-Session within the next few days.
- IV. You will receive an email tomorrow, June 17th, confirming your offer. You are required to send a reply to maids@chula.ac.th by June 25th to confirm that you will attend the program.

- 1) Afsana Yasmeen
- 2) Aishath Noora Mohamed
- 3) Alan W. Andersen
